shíshálh Nation

## Technology Grant Form

The shíshálh Nation will provide a technology grant **up to** the maximum amount of \$1,000.00 for eligible students (**subject to budget availability**.) Students must be able to provide documentation from the instructor or institution where they are studying, to demonstrate the need for specific technology to complete their studies.

The shíshálh Nation recognizes the need for students to access personal technology such as laptops for success in pursuing higher education. The shíshálh Nation will provide our support of students in their pursuit of higher education by providing a once every five years technology grant.

We require our students to submit confirmation from an instructor or course/program outline that verifies the need for a laptop/iPad/Tablet/Computer and either a receipt of proof of purchase for reimbursement or a quote for the technological equipment being purchased to release this \*Max \$1,000.00 technology grant.

Please direct inquires to our ETAPS Coordinators at [etaps@shishalh.com](mailto:etaps@shishalh.com)

- I have submitted the confirmation from instructor or course outline from the institution verifying need of a laptop/iPad/tablet/computer
- I have submitted the requested quote in order to receive the one-time technology grant
- I submit this application with the understanding that this assistance is only available *once every 5 years* from the shíshálh Nation toward the purchase of technological equipment
- I will submit the receipt to the shíshálh Nation ETAPS Coordinator within one week of purchase.
