GENERAL TERMS AND CONDITIONS

1. This Heritage Investigation Permit is valid for the period indicated. The duration of the permit may be extended for a specific period by the shíshálh Nation upon receipt from the permit-holder of a written application for an extension.
2. The permit-holder must adhere to the Archaeological Best Management Practices and the Policy and Procedures for Use of Hydro and Pneumatic Excavation Tools during Archaeological Investigation.
3. The permit-holder shall provide the shíshálh Nation with a written report, in accordance with the standards established and maintained by the Archaeology Branch of the BC Ministry of Forests.
4. A person designated by the shíshálh Nation may at any time inspect a project being conducted under the terms and conditions of the permit, including projects, records and materials recovered under authority of the permit.
5. Upon completion of any inspection or investigation involving excavations, the permit-holder shall make reasonable efforts to ensure all sites are restored as nearly as practical to their former condition.
6. All cultural materials recovered during the course of the study shall be deposited prior to the expiry of the permit to the tems swiya Museum (P.O. Box 740, Sechelt B.C. V0N 3A0) by the permit holder.
7. The permit-holder must be either present in the field, or available to support in-field decisions (immediate contact by phone or radio; reasonably able to attend an active construction site or an assessment underway) as befits the project.
8. In the event that human remains are identified during the course of the study covered under this permit, the permit holder must contact the shíshálh Nation immediately and must not disturb the remains unless or until authorized by the shíshálh Nation.
9. A shíshálh Nation Archaeological Technician will be retained as an assistant during the duration of the fieldwork component of the study, unless written permission to proceed without a shíshálh Nation Archaeological Technician has been provided by shíshálh Nation.
10. Prior to the completion of the written report the permit-holder must contact the shíshálh Nation regarding the "ethnic significance" (see British Columbia Archaeological Impact Assessment Guidelines, Section 3.5.2.2) of any heritage materials found.
11. The shíshálh Nation be given the opportunity to review and comment on the recommendations of the subsequent permit report prior to report finalization.

Note: Additional terms and conditions may be required by shíshálh Nation in the Permit.
